## 2006 Technical and Tasting Notes

### 2006 Winderlea Dundee Hills Vineyards Pinot noir

*The Dundee Hills vineyards wine was created as an homage to those who envisioned and planted the vineyards in the Dundee Hills. The vineyards on these hills were planted in the early to mid seventies on elevations of 400 to 500 feet of gently southern and eastern sloping hills. The soils are all Jory. Our 2006 Dundee Hills vineyards wine was made from vineyards planted and nurtured by the Weber, Bauer and Goldschmidt families.*

### 2006 Winderlea Ana Vineyard Pinot noir

*Winderlea's ANA is a single vineyard designate from the ANA vineyard located in the heart of the Dundee Hills. ANA boasts some of the oldest own-rooted Pinot noir in Oregon, dating back to 1976. The wine itself is made up of 80% Dijon 777 selection and 20% Pommard. It is classic garnet in color with cherry, strawberry and cranberry aromas. On the palate there are layers of berries, spice and a little earthiness.*

## 2006 Winderlea Goldschmidt Vineyard Pinot noir

*Winderlea's first estate Pinot noir is sourced from 2 blocks that were provided to us by the previous owners, as we did not close on the vineyard until after harvest 2006. Our first wine is a blend of Coury and Dijon 115 selections of Pinot noir. Garnet in color, with dusty rose petals and spice on the nose followed by cherries and strawberries on the palate. Structured and well balanced. We last drank this wine in 2020 and it continued to show the hallmark red fruit, spice and dusty rose that we recall from its first years.*
