

**TASTING NOTES** from THE WINDERLEA TEAM

Refined and expressive, the perfumed nose of raspberry, strawberry, dried rose petal and baking spice are intoxicating. Notes of Pink Lady apple, red taffy, blood orange and an intriguing hint of root beer follow on the palate. Lifted and ethereal with a lasting finish, this wine is destined to age for years to come.

**VINEYARD**

Winderlea Vineyard is in the heart of the Dundee Hills on Worden Hill Road. This vineyard has been farmed Biodynamic® since 2009 and earned Demeter Biodynamic® Certification in 2015. Winderlea chooses to dry farm and this site is a “no till” vineyard to promote soil health and biodiversity. This 20 acre, South facing slope spans an elevation from 320’ to 580’ and consists of volcanic Jory soil. 16.4 acres are planted to 8 different Pinot noir clones in 13 blocks. The oldest plantings are from 1974.

**2021 HARVEST**

The 2021 vintage will go down as one of Oregon’s vintages to remember. Warmer and drier weather than usual in March and April woke up the vines and the season was off to an early start. Flowering was clear and dry. Just one rain occurrence happened just before bloom and naturally helped to keep yields in check, ultimately leading to fruit with balance and idea ripeness. Summer was warm with unusually high temperatures in late June. Warm weather continued throughout the rest of the Summer with grape development showing great promise for the vintage. Harvest occurred in September with clean and fruit of impressive quality.

**VINEYARD:** Winderlea Vineyard      **AVA:** Dundee Hills

**SELECTIONS:** Pommard (50%), Dijon 115 (20%)

**HARVEST DATES:** 9/9/2021
